Drive in or fly in. This seminar is open to all helicopter owners, operators, and any one who is interested in learning about helicopters, or human factors and risk management techniques. There is no charge and reservations are not required to attend. Door prizes will be presented and a barbeque lunch will be served.

Attendance at this seminar qualifies a pilot for participation in the FAA Pilot Proficiency Program - WINGS. Pilots who successfully qualify for a phase of Wings, need not accomplish a flight review (BFR). For additional information contact the St. Louis Flight Standards District Office, 1 800-322-8876, extension 4835 or 314-890-4835.
